- The CE Solutions Group is an approved Iowa Abuse Curriculum Holder and has been issued approval #379 for Child Abuse for Mandatory Reporters, approval #396 for Child & Dependent Adult Abuse for Mandatory Reporters, and approval #397 Dependent Adult Abuse for Mandatory Reporters. Approval was initially issued June 21, 2002 and was most recently renewed in June 2011. These curricula are approved for a period of three years from date of renewal issuance.
- The CE Solutions Group is an approved Iowa Board of Nursing Provider, No. 335.
- The CE Solutions Group is a continuing nursing education provider approved by the California Board of Registered Nursing (CEP #14033).
- The CE Solutions Group is approved as a provider of nursing continuing education by the District of Columbia Board of Nursing, CE Broker provider #50-5236.
- The CE Solutions Group is approved as a continuing education provider by the Florida Board of Nursing, provider # 50-4572. Florida nurses: please do not send this certificate to the Board of Nursing; keep a copy in your personal records for four years
- In some states, work experience is an option or requirement for license renewal. For complete requirements information, contact your Licensing Board or your state Board of Nursing.
- Certain Oregon healthcare professionals are required to complete 7 hours of continuing education on pain management, one of which must be from Oregon Pain Management, the other six may be from any accredited source. CE Solutions Group courses on pain management meet Oregon's accreditation standards and are appropriate for professionals needing to complete their requirement.
- Each healthcare professional is responsible for meeting the licensure requirements of the state in which she/he practices. If you have any question regarding the acceptability of our courses, contact your state Board of Nursing.
